3528 110 / 3528 111 Introduction to Programming Lecture/Lab
3528 104, 105 Introduction to Computers with Applications Lec/Lab
3528 241/ 3528 242 Information Technology Essential Lecture/Lab
3529 115 Computing Foundations
CSTC 184 Applied Operating Systems
3528 231 / 3528 233 Computer Science I Lecture/Lab
3523 235 / 3523 236 Introduction to WebPage Development and HTML Lecture/Lab
3523 131 / 3523 132 Computer Networking Fundamentals Lecture/Lab
3523 121 / 3523 122 Introduction to Local Networks and Administration Lecture/Lab
3528 251 / 3528 252 Database Fundamentals Lecture/Lab
3529 311 / 3529 313 Computer Organization Lecture/Lab
3529 254 Introduction to Computer Graphics
3528 232 / 3528 234 Computer Science II Lecture/Lab
3529 251 / 3529 253 Assemblers and Systems Lecture/Lab
3528 341 Integrated Web Development
3523 241/ 3523 242 Advanced Routing and Switching Lecture/Lab
3523 125 / 3523 126 Advanced Local Networks Lecture/Lab
2523 261 / 2523 262 LAN Principles and Hardware Lecture/Lab
3529 415 Computer Architecture
1535 381 Probability and Statistics
3529 304 Algorithmic Techniques
1535 213 Discrete Mathematics
3529 315 Unix Systems Programming
3529 241 Data Structures
3529 412 Operating Systems
3529 454 Computer Graphics
3523 221/ 3523 222 LAN Installation and Troubleshooting Lecture/Lab
3523 231/3523 232 Internet and Wide Area Networks Lecture/Lab
1535 254 or 1535 225 Differential Equations or Linear Algebra
3529 351 Computer Networking
3529 325 Organization of Programming Languages
3529 434 Analysis of Algorithms
3529 341 Software Engineering
3529 414 Introduction to Artificial Intelligence
3529 452 Database System Design
3529 461 System Simulation
3529 352 Network Security
3529 410 Theory of Computing
3529 424 Translation Software
3529 490 Special Topics in Computer Science
3529 441 Digital Forensics
3529 442 Secure Computing Systems
3529 499 Senior Project
3529 497 Java Programming
3529 496 Object Oriented Programming with C++
3529 495 Senior Seminar
3523 223 Wireless Local Area Networks
3528 406 / 3528 408 Database Management Systems Lecture/Lab
3528 351 SQL Programming
3529 135 / 3529 136 Scientific Programming Lecture/Lab
